ADOPTION IS A GOSPEL CALLING

Adoption is more than a solution; it reflects our own story of being adopted into God's family through Christ. When believers embrace this truth, adoption is no longer "someone else's calling," but part of the Gospel lived out. Because adoption is intertwined with the gospel, it is a ministry not just to the adoptee, but to the birth mother as well.

ADOPTION AND THE FAMILY OF GOD

We believe God has called the church to take care of children who are in foster care or waiting to be adopted, and each person in the church has an important role in these redemptive stories.

Would you begin to pray about what your part might be? Whether you are called to become a prayer partner, support prospective adoptive families, support expectant mothers or birth mothers, or open up your heart and home to a child, we encourage you to fully surrender to the Lord.

Birth Choice is a pro-life, Christian, pregnancy clinic and adoption agency serving West Tennessee. Our Mission is to extend Christ-like love in a compassionate and responsive manner that values the family, empowers women and their partners to choose LIFE, and offers hope and healing to each person in the adoption triad.
