

## *Sanctity of Human Life Sunday*

**JANUARY 18, 2026**

But now, O Lord, You are our Father;  
We are the clay, and You are our potter;  
We are all the work of Your hand.

Isaiah 64:8, ESV

## Jenna's Story

**The following is a story of one of the women who found hope at Birth Choice in the past year. Her name has been changed to protect her privacy.**

*When "Jenna" walked into our clinic, she told her advocate that she was emotional, embarrassed, and disappointed in herself. She hadn't been to church in the last year, and in that timeframe, she had been in a relationship with a verbally abusive man. She had just found herself pregnant for the first time and thought that abortion was her best option.*

*Our volunteer advocate made sure Jenna felt loved and heard, sharing the good news that Jesus still loves her.*

*Jenna listened attentively to all the information our advocate shared about parenting resources, our support programs, adoption, and the truth about abortion. Most importantly, our advocate shared the gospel with Jenna and gave her a Bible.*

*After their discussion and seeing her baby's heartbeat on ultrasound, Jenna realized that choosing life instead of abortion was the best option for herself and her baby! She also said she might consider going back to church. Please join us in praying for Jenna as she navigates pregnancy and motherhood.*

## Jesus Shows Compassion for Sinners Like Us

In John 8:1-11, Jesus saved the life of a woman the Pharisees planned to stone after being caught in the act of adultery. He told the Pharisees, "Let him who is without sin among you be the first to throw a stone at her."

Convicted over the fact that they were as sinful as the woman they accused, they each left. With compassion and love, Jesus stood before the woman who was dragged before Him and told her, "Neither do I condemn you; go, and from now on sin no more" (ESV).

Because of Christ's kindness and patience toward us as sinners (Rom. 2:4), we strive to share the same compassion and mercy toward the women who walk through our doors. When we lovingly share the truth of the gospel and the value of their precious preborn children, accompanied by practical support and resources, almost seven out of every 10 Birth Choice clients who consider abortion change their minds and choose life.

Our prayer for these women is not only that they choose life for their babies, but that they also choose eternal life in Christ.
